

What energy, skills, passion can YOU bring to the club next season?

We are seeking new people to step up, join the committee for 2019/20 & keep making this club a great place for your kids to enjoy sport. The more people involved, the better. Key roles we need to fill are: Registrar, Junior Blues Coordinator and Results Coordinator. There are several other vacant roles that only require a small commitment.

Even if there is a nomination (or returning incumbent) please **let us know if you are a great match for any role at all**. Several of the current committee will re-nominate but we are very pleased to switch things around to enable new people to participate.

Not able to attend monthly meetings? We are still able to make great use of your contribution. We will benefit immensely with somebody experienced working with local council &/or builders to project manage the Batting Cage proposal. If you are available to attend most monthly meetings this can be an Ordinary Member role. If you are not able to attend meetings we would appoint this as a non-voting role. On the same basis we are looking for people to assist with Social Media and others with Fund Raising.

Please [reply-to-committee](#) ASAP & also let us know if you are open to alternative roles.

We can complete & sign the Nomination Form at the AGM 1:30pm Sunday 7 April.
